

How to log in to Supplier Management System (SMS)

Quick Reference Guide

Supplier Acceptance CoE
June 2026

About this guide

To provide you with a faster and more secure experience, we have migrated our sign-in for SMS portal from OpenAM to Microsoft Entra ID on **22 June 2026**. This upgrade introduces a seamless, password less login experience, allowing you to sign in safely and quickly without needing to remember a password. No advance action is required—you will be guided through a simple, one-time setup during your first login.

Please note that **the login screens and authentication options may vary depending on your device, browser, and organization's IT/security setup. Follow the options and instructions displayed on your screen to complete the login to SMS.**

2	Steps to Access SMS for Existing Suppliers	Slide 9

Steps to Access SMS for New Suppliers

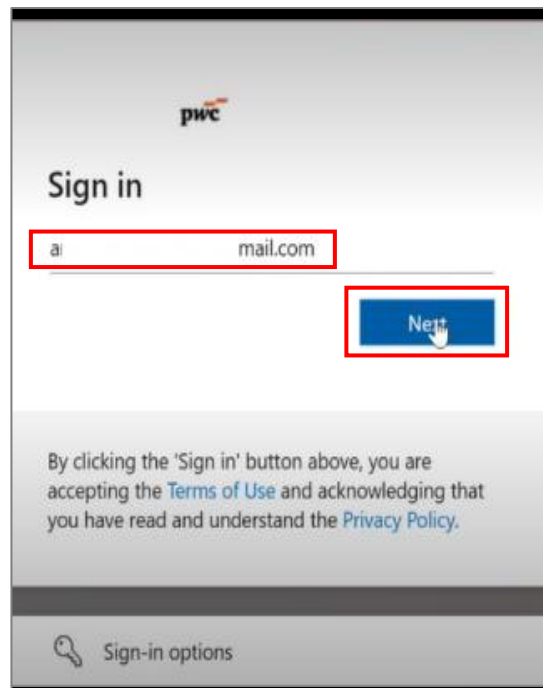

STEP 1

Click the **Accept invitation** link in the email from Microsoft.

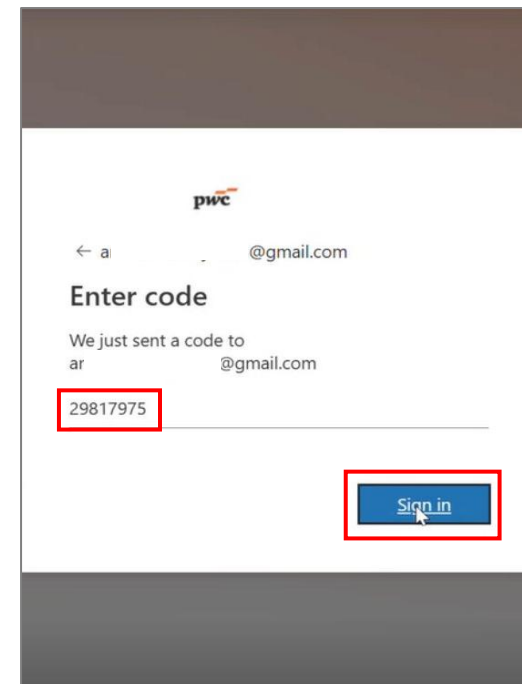

STEP 2

Enter your email address and click **Next**. If you do not see this screen, skip to **Step 6**.

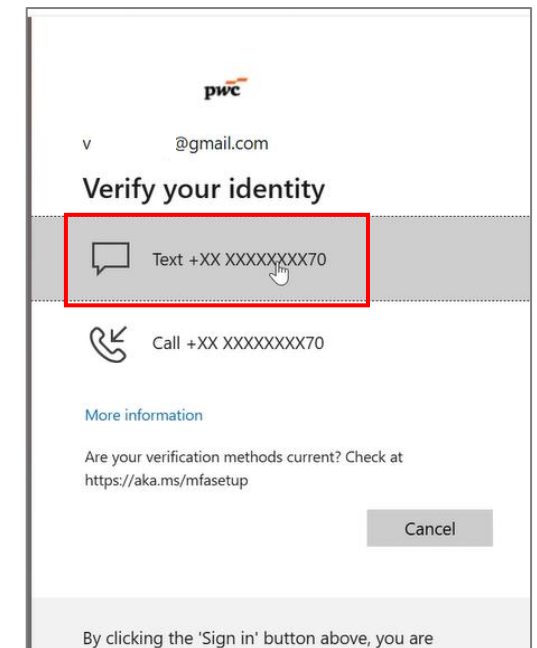

STEP 3

Enter the code received on the email entered in the previous step and click **Sign-in**.

STEP 4

Select either **Text** or **Call** and wait for the code.

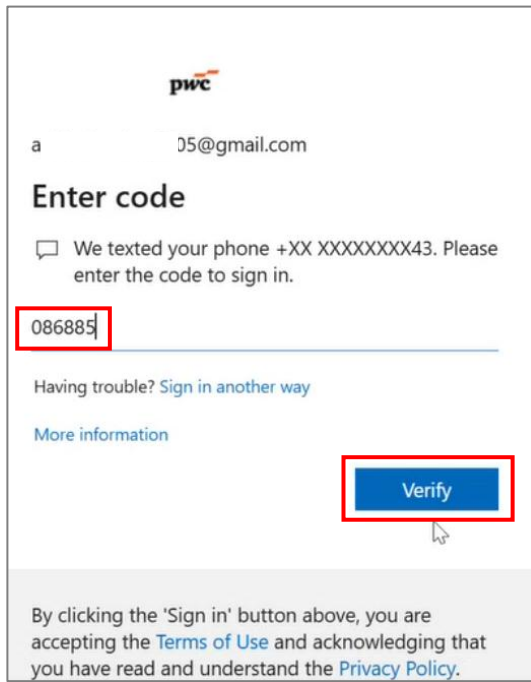

Tip

If you have trouble accessing SMS, please write to in_vendor.m.mgt@pwc.com or call 18002126160.

Steps to Access SMS for New Suppliers (Continued)

STEP 5

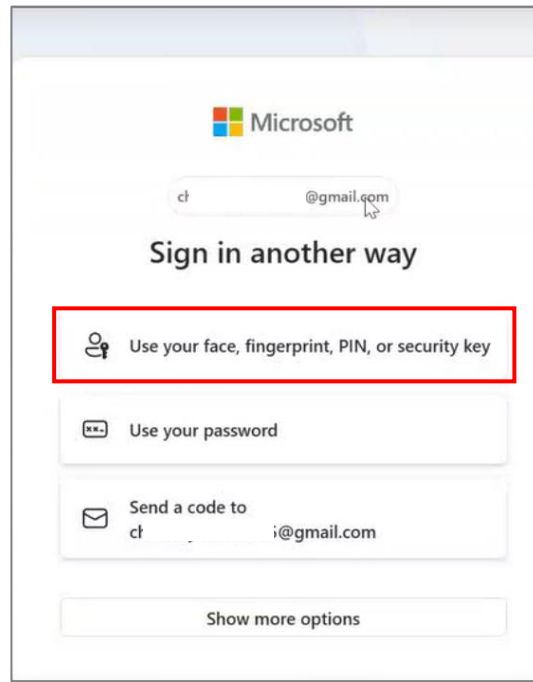

Enter the received code and click **Verify**. Refer next slide for next steps.

The screenshot shows the PwC sign-in interface. At the top is the PwC logo. Below it, the email address 'a 05@gmail.com' is partially visible. The main heading is 'Enter code'. A message states: 'We texted your phone +XX XXXXXXXX43. Please enter the code to sign in.' A text input field contains the code '086885', which is highlighted with a red box. Below the field is a link: 'Having trouble? Sign in another way'. At the bottom right, a blue 'Verify' button is highlighted with a red box. At the very bottom, there is a disclaimer: 'By clicking the 'Sign in' button above, you are accepting the Terms of Use and acknowledging that you have read and understand the Privacy Policy.'

STEP 6

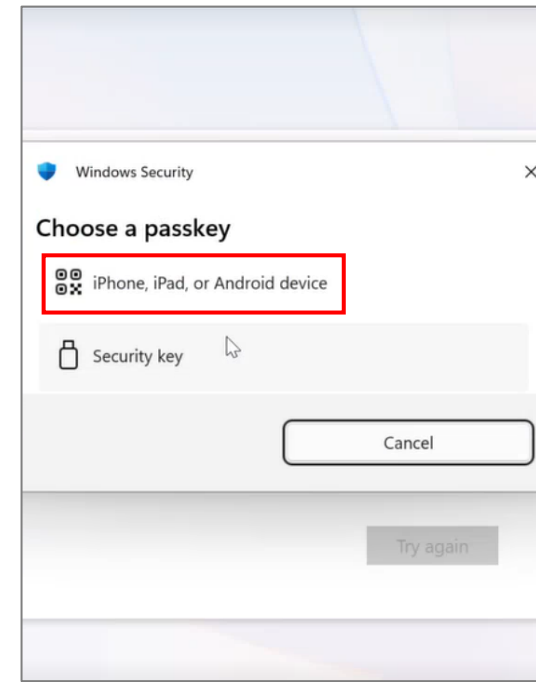

If you see this screen after **Step 1**, select first or third option or skip to **Step 11** if you don't see this screen after **Step 1**.

The screenshot shows the Microsoft sign-in page. At the top is the Microsoft logo. Below it, the email address 'ct @gmail.com' is visible. The main heading is 'Sign in another way'. There are three options: 'Use your face, fingerprint, PIN, or security key' (highlighted with a red box), 'Use your password', and 'Send a code to ct i@gmail.com'. At the bottom is a 'Show more options' button.

STEP 7

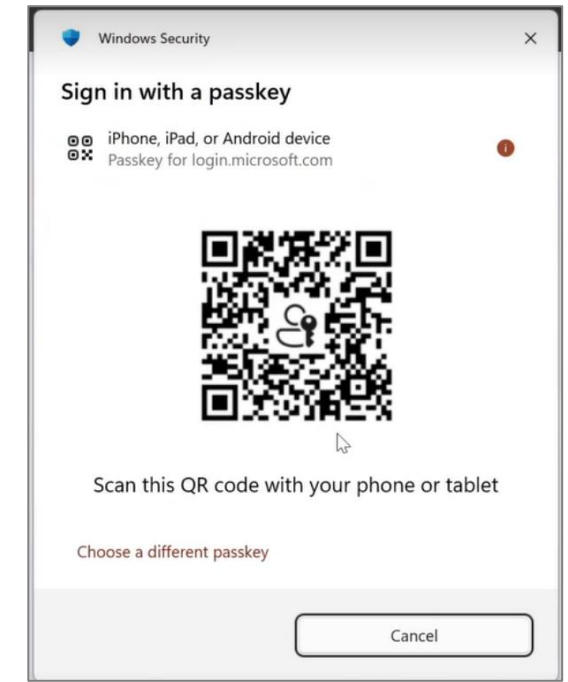

If you select the first option, you will be routed here, select **iPhone, iPad, or Android device**, skip to **Step 10** if you have selected the third option.

The screenshot shows the Windows Security 'Choose a passkey' screen. There are two options: 'iPhone, iPad, or Android device' (highlighted with a red box) and 'Security key'. A 'Cancel' button is at the bottom right. A 'Try again' button is at the bottom center.

STEP 8

Scan the QR code with your phone registered with the email address.

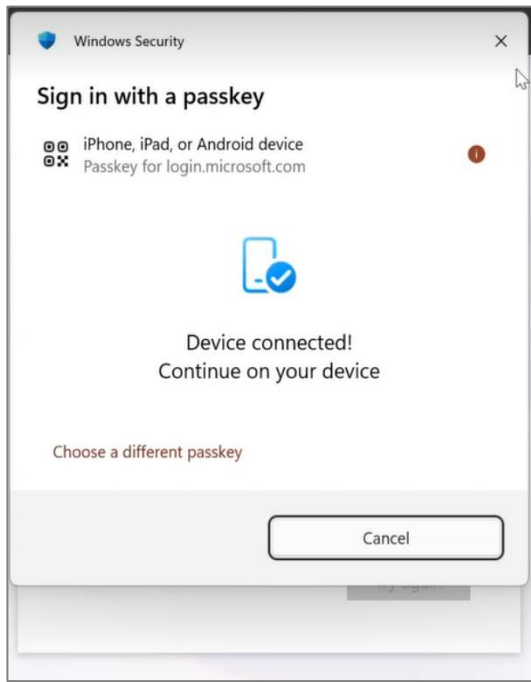

The screenshot shows the Windows Security 'Sign in with a passkey' screen. It displays a QR code for scanning. Below the QR code is the text 'Scan this QR code with your phone or tablet'. At the bottom is a 'Cancel' button.

STEP 9

Once the device is successfully scanned and connected, skip to the next slide for next steps .

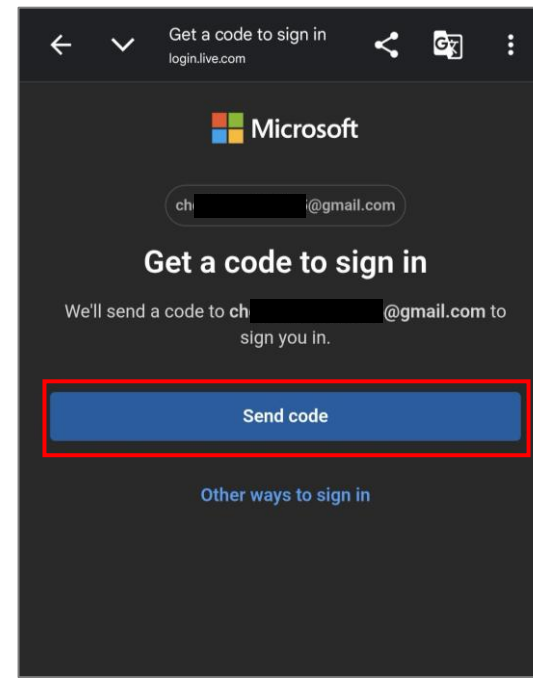

STEP 10

If you have selected the third option in **Step 6**, enter the code received in the email address, skip to the next slide for next steps.

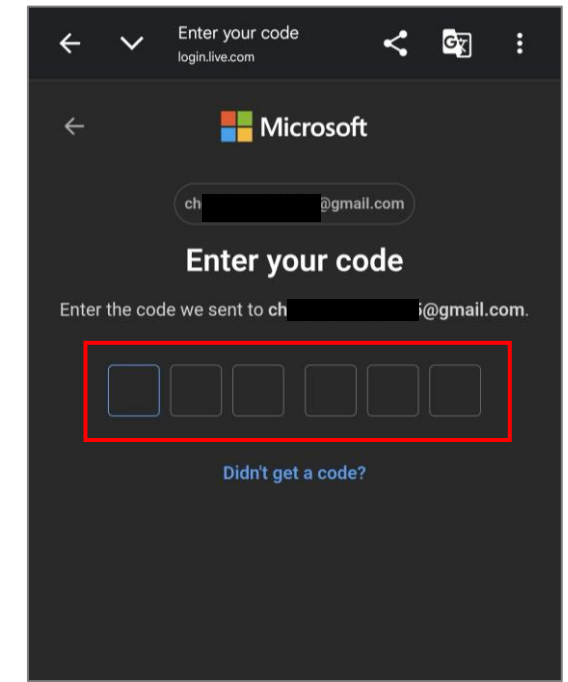

STEP 11

If you see this screen on your mobile after **Step 1**, click **Send code**.

STEP 12

Enter the code received on the email address and refer the steps on the next slide for the next steps.

Tip

If you have trouble accessing SMS, please write to in_vendor.m.mgt@pwc.com or call 18002126160.
